SIE CONNECT

Careers at SIE Connect · Lustenau, Austria

UNSOLICITED APPLICATION (M/F/D)

No suitable vacancy advertised? We are always keen to meet committed people. **SIE Connect GmbH** operates internationally as a specialist in Global Project Coordination, Shortage Supply and Excess Stock Management of electronic components – and we are continuously looking for new team members, full-time or part-time.

Possible areas: Purchasing & Electronic Sourcing · Sales & Partner Management · Global Project Coordination · Quality & Logistics · Back Office

WHAT YOU BRING

- A commercial or technical education (e.g. business or technical college, university) – or relevant experience
- An interest in electronics, international markets and supply chains
- Very good German and English skills; any additional language is a plus
- A structured, reliable way of working and a willingness to take on responsibility

WHAT WE OFFER

- An international environment: award-winning headquarters in Lustenau, offices in Hong Kong and Melbourne (USA)
- Small, flexible teams with short decision-making paths
- More than 30 years of S.I.E GROUP experience in global electronic sourcing
- Room for your own ideas – we see ourselves as networkers and drivers of digitalisation

YOUR APPLICATION

Please send us your CV, a short cover letter stating your preferred area, relevant certificates and your earliest possible start date – ideally as a PDF by email.
